INDEX TO VOLUME I

OCTOBER 5, 1956 — MAY 20, 1957

The present Index, following in general the plan in use since Volume XLVII (1953-54), exhibits separately (I) *Contributors*; (II) *Contents*, arranged with reference to the main types of material appearing in this periodical (Articles, etc.; Book Reviews; Notes and News; Books Received); (III) a *Subject Index*, in which an attempt has been made to classify this material according to the divisions employed in the standard annual bibliography of

classical studies, J. Marouzeau and J. Ernst, *L'Année Philologique* (latest issue Vol. XXVI [bibliography of 1955]; Paris: Les Belles Lettres, 1956); IV Advertisers.

Certain conventions, e.g., in II. 2 (Book Reviews) and in III (Subject Index), that of indicating reviewers by enclosing their names in parentheses immediately after the designation of books reviewed, will be familiar from earlier volumes.
